Dear Mr. Andrejchak,

Thank you for writing to the Office of Open Records with your request for an Advisory Opinion. Because your request involves an actual request pending in your office, the request is denied. Advisory Opinions are generally provided regarding a class of records such as inmate photographs or audio recordings of public meetings. They are meant to provide prospective guidance to agencies in the event a request is received for that type of record. If the OOR were to weigh in on your pending request, it would compromise our ability to rule on it if the requester files an appeal with our office.

For more information on the criteria for advisory opinions, please visit the OOR website:

Sincerely,

A handwritten signature in black ink, appearing to read "Dena Lefkowitz". The signature is fluid and cursive, with a large initial "D" and a long, sweeping tail.
